

# ALL-AROUND PDF PERFORMANCE FOR BUSINESS

Expertly Create, Edit, Secure and Annotate PDF

Gaiiho PDF **5**  
[ Suite ]

## Core Features

### Edit Word /Excel Directly

Make your PDF fully editable with Gaiiho Doc just like a Microsoft Office document. You can add and format text, or insert tables, pictures, links, streamlining the way you handle PDF files.

### Dual-Mode Converter new

The redesigned Gaiiho PDF Converter is capable of creating PDF and converting PDF to other file types, which include the newly supported OpenOffice and PowerPoint formats.

### Faster Switching Between Open Files new

While Gaiiho Doc still supports opening multiple windows, you can now open PDFs in different tabs, and switch between sets of documents quickly.

### Optical Character Recognition (OCR)

Apply OCR (Optical Character Recognition) to make image-based document searchable, editable, and reusable.

### Upgraded Reading Experience new

You can now select either of the two different page display modes to enhance your reading experience. While "Read mode" hides the ribbon area and navigation pane, "Text Viewer mode" hides all contents other than text so as to make documents easy to scan and read.

## Why Gaiiho PDF Suite?

**RICH FEATURES, BETTER VALUE** / Gaiiho Doc is a versatile PDF editor with plentiful of features, such as edit, convert, annotate, merge, protect and OCR (Optical Character Recognition), that help you work more efficiently with PDFs and get your documents fixed faster than ever.

**ISO STANDARD COMPLIANT** / Create ISO-compliant PDF documents (with the following subsets: PDF/A, PDF/X and PDF/E) compatible with all other readers which also meet the standard.

**TWO-WAY BATCH CONVERSION** / Gaiiho PDF Converter is one of the most powerful conversion tools on the market. It is fast and laden with advanced features such as OCR, compression and font settings, and supports a wide range of document formats.

**A FAMILIAR UI THAT JUST WORKS** / Microsoft Office is installed on over 1 billion desktops across the globe, and so is the ribbon UI design which can also be seen on Gaiiho Doc. This way, working with PDFs is more intuitive and straightforward.

**COST EFFECTIVE LICENSING SAVES MORE** / Multiple licensing schemes and programs available, such as perpetual, subscription, terminal server and Volume Licensing Program (VLP). Choose one that best suits your needs and save more on your large volume purchases.

## Let Our Customers Do The Talking...

" We needed a solution that could be rolled out efficiently and meet our demand for robust PDF functionality at a lower cost. Gaiiho works very well for us."

**Nelson Lui, IT manager, Artesyn Embedded Technologies**

" We no longer need an additional solution because Gaiiho offers everything we need to work with PDF documents. Gaiiho was a step towards the modernization of services."

**Antonia Japunčić, Engineer at Oiv**
